

JOB OPPORTUNITY

CALIFORNIA STATE DEPARTMENT OF INSURANCE

PROGRAMMER I

\$2,903 – \$3,465

APPLICATION DEVELOPMENT AND MAINTENANCE DIVISION SACRAMENTO

RESPONSIBILITIES:

Under close supervision of the Sacramento System Development Supervisor, provide application development and maintenance support. This support includes, but is not limited to, working with other technical staff and users in application analysis, design, construction, testing, training, conversion, implementation, production, maintenance, and troubleshooting.

DESIRABLE QUALIFICATIONS:

- Working knowledge of information technology concepts, techniques, practices, and methods;
- Experience with supporting and/or developing system applications in client-server Oracle environment, Forms, SQLPlus, PL/SQL, Developer/2000, Designer, etc. (Applicants without this experience may present comparable experience with other database applications and/or ability to learn new technologies);
- Ability to work well with people, and to work independently within supervised guidelines and standards;
- Ability to communicate and document activities; and
- Ability to analyze problems and research solutions thoroughly.

ADDITIONAL DESIRABLE QUALIFICATIONS:

- Experience with Unix commands and shell programming;
- Experience with Web application languages such as HTML, and Java Script;
- Willingness to learn and utilize new technology and methodology; and
- Willingness to occasionally travel and/or work overtime.

WHO MAY APPLY:

Applications will be accepted from current State employees at the Programmer I level those within transfer range, or individuals that have list eligibility. Training and Development Assignments may be considered. All applications will be reviewed; however, only the most qualified candidates will be interviewed. Applicants currently on SROA lists or employed by a surplus department are encouraged to apply. *All applicants must clearly indicate the basis of their eligibility (i.e. SROA, surplus, reemployment, reinstatement, transfer, or list eligibility) on the state application.*

APPLICATION PROCEDURE:

Send a completed standard State of California application to Bob Pohutsky, Project Coordination and Administrative Support Division, Department of Insurance, 300 Capitol Mall, 14th Floor, Sacramento, CA 95814. **Please indicate “Programmer I, #105-1382-000” on the State application.** For additional information, please call Virginia Sturdevant at (916) 492-3295.

FINAL FILING DATE: January 9, 2001 or Until Filled

DO NOT SUBMIT APPLICATIONS TO THE STATE PERSONNEL BOARD
